

## **HEALTHY EATING INFORMATION**

### **REMOVAL OF APPLE LOGO**

**In line with EU Regulations on Nutrition and Health Claims Made on Food, we are no longer able to make health claims for specific foods.**

**This means that we can no longer use the “apple logo”  or any other symbol to highlight menu items which are considered to be a healthier choice.**

**You will see the apple logo being removed over the coming weeks and from 1<sup>st</sup> January we will not be able to make a health claim for any food; for example we cannot describe any dish or item as being healthy, healthier, good for you, and so on.**

**Having successfully regained our Healthyliving Award, we will still offer over 50% of our food items as healthyliving items. We will also continue to display the healthyliving award logo in both schools to let customers know that we hold the award.**

**We cannot however label or display the logo alongside any food items.**

**If you have any questions, please speak to a member of the catering team.**
