

July 2018

Dear Parent

**S6 TIMETABLE 2018-2019
ARRANGEMENTS FOR MONDAY 20 AUGUST**

Priority subject choices for pupils have been used to generate the new timetable for the session 2018-2019 and there has been an opportunity to “Taste” these courses before the summer break.

Please note the following arrangements for timetables:

Pupils do not need to come in on Monday 20 August if they simply wish to confirm their first three choices that they followed in Taster week.

Pupils are expected to come in on Monday 20 August if they wish to change their choices or discuss options with the Careers team. Mrs Flannigan has already given pupils information about coming in to school in their old S5 groupings at specific times.

These are: Form Classes A to C 10.30am - 11.15 am
 Form Classes D to G 11.15am - 12.30 pm

At this stage, any changes must be done within the existing classes that have been set up on the timetable. If a pupil wishes to change, the following diagram provides helpful information on the possible options and combinations. Please review this if your son or daughter wishes to change their choices.

There are 4 possible “Blocks” of subjects A, C, D, E and pupils can choose a maximum of one subject from each “Block”.

The attached diagram sets out the possible options, partitioned into 3 categories of subjects

- Advanced Higher courses
- “New” “Crash” Highers where no prior knowledge is assumed
- Highers where prior knowledge at National 5 is assumed

On August 20th, Mr David Campbell will be available to help with advice on University requirements and pupils can arrange to have a discussion with him. Heads of Departments are also in school if pupils need to access advice on taking certain courses.

I would encourage pupils to take advantage of this day for their timetable so that they can start in the right classes and settle quickly to the new term. Please be assured of our continuing help and support to get the right programme of academic study for your son or daughter this year.

Yours sincerely

Mrs Pauline Smith
Timetable Manager
