BUS SERVICES

Where does my child get off the bus?

Please note that the bus drivers cannot take responsibility for ensuring children get off the bus at the correct stop. We would therefore suggest that an older sibling or friend accompanies a younger child until they are confident of the stop to be used. Any child found to be on the bus at the end of the route will be taken back to school and kept until collected by a member of the family.

What happens if my child misses the bus home?

If your child misses the bus at the end of the school day, they should go to the closest school office or find any member of staff and tell them what has happened. If we know your child has missed the bus home, we will try and contact you as soon as possible for you to come and collect them.
