* The Nursery and Pre-School receives Partnership Funding from Glasgow City Council for the provision of 1,140 hours of childcare per year. All eligible families will receive this funding and no fees will be payable. Wraparound care is available from 3pm – 6pm (term time) and is chargeable at £15.75 per day if hours exceed the funded hours. Early morning provision is also available between 8.30am – 9am and this is chargeable at £5 per day. Provision is also available during the holiday periods (excluding 2 weeks at Christmas) and is chargeable at £38 per day if hours exceed funded hours. All Nursery and Pre-School charges will be billed one month in arrears.

**Whilst every effort is made to ensure the stationery included as part of this cost will cover the session, this may not always be the case based on pupil usage. Any additional stationery required beyond the pack provided would need to be purchased from the school library.

Sibling Discounts/Bursaries/Financial Support

Please note that eligible families can only receive one form of discount or financial support, e.g. if a family is in receipt of a bursary they cannot also receive a sibling discount.

Sibling discounts are available as follows:

- Eldest of 4 50% discount
- Eldest of 3 25% discount

We must highlight that in calculating eligibility for sibling discounts, only full fee-paying pupils are taken into account, e.g. for a family of 3 where one child is in the pre-school/nursery and receiving funding, then the eldest of 3 discount would not be applicable.
